## Saturday Breakfast ( two choices for the campers ??? )

Really nice continental breakfast from 7:30 to 9:30 at the Conference Center .

**This for the lodgers** and is in the main building, it's close, it's easy,.....and it's warm :-)

**Alternate choice for campers**

**Really nice but light breakfast at the campground** so that campers don't have to leave the campground if you don't want to This is for campers and completely your choice. Our cooking team decided to do a full breakfast at the campground just so you could choose between breakfast there and break fast at the Conference Center

## Saturday Lunch

Lunch is at the campground! [Be sure to eat or take something with you on the trails!](#)

## Saturday Dinner

[Dinner is at the campground and will start at 6:00 PM.](#) Full course BBQ with dessert  
Entertainment is simple.... Hang around with the campers, lie on the asphalt and watch the stars, mingle and enjoy

Lodgers can gather at the Presidents Lodge Gathering area after Dinner at your leisure  
If you bring beverages from your room, please use provided cups .... Thanks  
Vans will be cycling back to the Lodge and you are free to enjoy hanging out in the Presidents Lodge  
or call it a night when you feel the need. It is a pretty place and there is a large firepit out behind the  
Gathering area. If the wind isn't blowing hard, there will be warm fires to lighten up the great outdoors

## Sunday Breakfast

[ALL Breakfast is at the campground Sunday!](#) We will firing up a hearty southern style breakfast beginning at 7:30!  
We will be serving all of the usual stuff. Eggs, Bacon, Sausage and Biscuits with Gravy, maybe even pancakes :-)

**Lodgers** - Plan on getting up when you like but [check out and head for the campground for breakfast!](#) We're trying to get  
everyone moving toward the airport so that you can have a nice breakfast, hang a little, fuel if needed and get  
heading home by 10:00 or so! Easy breezy !

**Campers** -- Good news! You're already there !!

We hope you like the food and accomodations! We work hard to keep the expenses to a minumum and the fun to a maximum!  
There are lots of things we could do better at a lot more expense and.... there are lots of things we could do cheaper if there were more indians  
that would work for free :-)) We are trying hard to balance out the expense with the fun and not kill the guys and girls putting it on!

The thing that really makes this work is that all of the volunteers are RV related and love gathering together and sharing our aviation passion!  
.... we aren't trying to make this a "big" event .... We just want it to be a fun gathering of folks just like you!

The other thing that's important is that this is a real "spouses" event and we try hard to have something for everyone ...  
.... That includes a warm bed, good food, and nice place to stay if you're not of the camping type! *Fly, Camp, Hike, and Lodge!*

**It really is all about "The RV Gathering" ! That's our theme, our mission, and our passion!**

**.... we just want you to come... bring your spouse or friend.... have a "easy" good time .... And tell a buddy about it !**

**Thanks for coming .... It's our hope that you meet a new friend, find a new interest, or just have a good time!**

**.....If any of those things happen .... We think you'll want to do the *RV Gathering* again!**
