This isn't Oshkosh or the FAA ---- there are zero, none, nada, no paid volunteers :-)  
 With all volunteer help, the EAA Chapter plan is to break even and have a lot of fun!

This is nothing more than a RV Gathering of old friends and hopefully some new friends, facilitated by local RV Drivers !

- \*\*\* The cash bar Friday night is not included in the Dinner
- \*\*\* We averaged out State Park Camping Fees and Ramp Fees
- \*\*\* We have three 13 passenger Vans running for the three day weekend. No Charge
- \*\*\* All Meals, Drinks, Water, Coffee, and Firewood are included hauled in and available 24 x 7
